

SERVICE 4 BEGINNING OF LIFE AND THE UNBORN

Mommy and Me Diaper and Needs Drive

Materials: Diapers, pens, cardstock (cut into small note-size pieces), ribbon, scissors, one-hole punches

Time: 30-60 minutes

Cost: \$10

Prep: Three weeks prior to the event, contact your local pregnancy center and ask about current donation needs for both mothers and babies. Next, create a list of donation items and distribute the list to students and families. Two weeks before the event, advertise the drive and list of items you are collecting at your school. Prepare a place to collect donations from members.

During the event

1. Write notes of encouragement to expectant mothers. This can include Bible verses, a thank-you for choosing life for their baby, and other uplifting words.
2. Sort the collected items for the pregnancy center.
3. Package all collected and sorted items. Make sure to include the notes you created to celebrate and uplift the mothers and the babies.
4. Deliver to the pregnancy resource center and pray with the employees that these items will bless both the mother and child receiving them. Pray that God will be their rock and foundation as they raise the child.
