

# Life Shines in Dialogue - Josh Brahm

Josh has worked in the pro-life movement since he was 18. After 12 years of full-time pro-life work, he launched Equal Rights Institute to maximize his impact on the movement. Josh's primary passion is helping pro-life people to be more persuasive when they communicate pro-choice people. That means ditching the faulty rhetoric and tactics and embracing arguments that hole up under philosophical scrutiny. Josh works to bring relational apologetics to the pro-life movement. Josh hosts the Equipped for Life Podcast. He's also written dozens of articles for LifeNews.com and the ERI blog. He has been interviewed by the Washington Post, NPR, and

Focus on the Family. He also directed the first 40 Days for Life campaign in Fresno, resulting in up to 60 lives saved. Josh has been happily married to his wife, Hannah, for 17 years. They have three sons, Noah, William, and Eli. They live in Charlotte, North Carolina.
