

SERVICE 4 HUMAN TRAFFICKING

Chalk the Walk Awareness Campaign

Materials: Sidewalk chalk, list of facts about human trafficking (check out Y4Life.org for resources!), list of Bible verses, Y4Life Human Trafficking posters

Time: 30-60 minutes

Cost: \$10

Prep: Collect materials prior to the event. Be sure to have enough sidewalk chalk for all of the participants. Have a list of facts and Bible verses ready for the event.

During the event

1. Have students draw pictures and write messages about the life issue of human trafficking. Write Bible verses that connect to the issue of human trafficking next to the pictures and facts.
2. Hang posters around your school or church with information about spotting human trafficking and how to be a voice for the victims.
3. Pray that the chalk messages and posters would soften hearts and inform students and church members about the life issue of human trafficking. Pray that the victims would be rescued and that they would find healing in the arms of Christ.
