

# SERVICE 4 THE ELDERLY

## Providing Help at a Worship Service

**Materials:** Nothing!

**Time:** 60-90 minutes

**Cost:** Free

**Prep:** Three weeks prior to the event, contact your local senior living center. Ask when worship services occur and whether or not you can help residents attend worship by wheeling or walking with them.

### During the event

1. Find the resident you are assisting, introduce yourself, and help him or her make it to worship.
2. Next, worship with the resident you assisted. When worship has ended, help him or her get back to his or her room.
3. Stay and visit with them. Pray with and for them before leaving.
4. Remember to uphold life by treating each resident and staff member with love and compassion.
